

## Living out the Church Year

Make Faith Formation come alive in the home with Liturgy out of the Box! Kits are comprised of approximately 5 faith formation lessons based on each season of the Liturgical (Church) Calendar. Five kits will be available from October – May for each catechetical year. (Ordinary Time 1, Advent/Christmas, Ordinary Time 2, Lent, Easter). Lessons can be explored one at a time (once a week) or clustered together giving family members, of any age, an opportunity to learn new information and celebrate the feasts of the Church year. Liturgy out of the Box can be used as a self-contained Faith Formation Program or it can be used as a supplement to any existing program.
